From

Dt. Magistrate of South Kanara.

To

The Secretary to Government
Home Department,
Fort St. George,
Madras 9.

Sir,

ESTABLISHMENT: Permanent--proposals for making temporary establishment permanent--submitted.

--

According to the instructions in G.O.No.780 Finance dated 19.7.49 all temporary posts which are over 5 years old and 50 per cent of those between three and five years may be made permanent. In accordance with the policy of Government in the G.O cited above I request that the following temporary posts of lower division clerks in the Magisterial section of my office may be made permanent.

NAME OF POST	No. AND DATE OF G.O. IN WHICH SANCTIONED
1.One lower division clerk.	G.O.Ms.No.271 Revenue department dated 9.2.45
2. One lower division clerk	G.O.R.No.1395 Home department dated 19.5.47

The sanction for the retention up to 18.2.1952 of the temporary post of lower division clerk originally sanctioned in G.O.No. 271 Revenue dated 9.2.45, was accorded in G.O.Ms.No.605 Revenue department dated 14.3.51. This post has been in existence for over 5 years now. It was sanctione to cope up with the increased work in the Magisterial section on account of the introduction of several new Acts, control orders. A statement showing the number of papers received, disposed of and pending in this section for the years 1946 to 1950 is furnished below.

Year	Number received.	Number disposed of.	Number pending.
1946	6312	5429	883
1947	9042	7704	1338
1948	8451	7706	745
1949	11195	10099	1096
1950	12145	12538	1334

P.T.O.

The statistics furnished above will show that the work in this section is increasing year after year. I therefore recommend that this temporary post may be retained permanently.

2. The temporary post of one lower division clerk was sanctioned in G.O.R.No.1395 Home department dated 19.5.47 to deal with the increased work connected with the arms act and rules. This clerk is also dealing with correspondence regarding the Cinematograph act and Madras Motor vehicles act. After the introduction of Prohibition into this district the number of touring cinemas have increased, and after the derationing of petrol more applications for permission to run special trips are being received. The volume of work is not likely to come down. Although this temporary post has been in existence for the past 4 years only it is the only temporary post in this section between 3 years and 5 years old. Hence this post may also be made permanent with reference to the instructions in para 3 of G.O.No.780 Finance dated 19.7.1949.

Yours faithfully,

For Dt. Magistrate.

RESOLUTION:

The Board submits the following report: -

1. One lower division clerk was sanctioned in G.O.Ms.271 Rev d/9.2.45. The post of the lower division clerk has been in existence for over five years and is permanently required for the normal work of the government . The Board therefore recommends that the government may be pleased to sanction the permanent retention of this lower division clerk.

2. One lower division clerk sanctioned in G.O.854 Rx Home d/4-3-47.

According to the instructions contained in G.O.780 Fin d/19.7.49 a post should have been in existence for at least five years before it can be considered for permanent retention, and 50% of the posts between three and five years may be made permanent .As this is the only post between three and five years , the 50% rule cannot be applied to this case and the question of making it permanent now is premature . The Board therefore requests that the Collector , may be instructed to renew his proposals after the post has been in existence for over five years .

G.O. Ms. No. 2985 dated 15-11-1951.

In para 1 of its proceedings read above, the Board of Revenue has recommended the permanent retention of the post of one lower division clerk originally sanctioned in the G.O. first read above for the reason that the post has been in existence for over five years and is permanently required for the normal work of the Govt. But as the post was originally sanctioned to cope with the increase of work in the Magisterial section of the Collector's office, South Kanara, due to the various control orders etc., it will not satisfy the condition laid down by G.O. No. 780 Fin., dated 19-7-1949 that the post should be permanently required for dealing with the normal work of the Govt. Therefore, the Govt. cannot accept the recommendation of the Board of Revenue. If necessary, the Board may send up proposals for the retention of the post for another year, before the expiry of the sanction

accorded in G.O. Ms. No. 605 Rev., dated 14-3-1951.

2. Regarding the permanent retention of the post of one lower division clerk sanctioned in G.O. Ms. No. 854 Home, dated 4-3-1947, the Board is informed that orders in the matter will be issued separately by the Govt. in the Home Dept.

In G.O. Ms. No. 271 Rev. dated 9.2.1945, the Govt. accorded sanction to the employment of an additional lower division clerk for a period of one year in the first instance, to attend to the increased work in the magisterial section of the South Canara Collector's Office. This post has been in existence for over five years now and is reported to be permanently required for the normal work of the Govt. From the statement showing the number of ~~correspondence that was~~ papers handled by this section during the years 1946-1950, furnished by the Bd. of Rev. in his letter on p. 1 cf.; it is seen that the work in the section is generally on the increase every year.

Rev. No. 35395 L/51-6 dated 16.X.51

Notes from page 2 above may be read. The Revenue Department have agreed to the Board's proposal to sanction the permanent retention of the post of one l.d. clerk which was created in GO 271 Rev dt 9.2.45 and being retained since then. It will be observed from portion 'A' of the South Kanara Collector's letter that the lower division clerk

also 21 on P. 1 CF dm

in question was appointed for attending to the increased work on account of the administration of various Control Orders. According to para 3 of G.O. 780 Fin. dt. 19/7/49, permanent retention of posts can be sanctioned only if it is established that the posts are permanently required for dealing with the normal work of the Govt. The post of l.d. clerk in question does not satisfy the above criterion, and Finance may therefore advise against its being made permanent. If the work in the magisterial section of the South Kanara Collectorate continues to be heavy, it may be retained temporarily for another year from the date of expiry of the present sanction.

2. The Fin. Deptt. have objected to the permanent retention of the additional lower division clerk on the ground that ~~under para 3 of G.O. No. 780, Fin. dated 19.7.1949, "permanent retention of posts can be sanctioned only if it is established that the posts are permanently required for dealing with the normal work of the Govt."~~ the post in question was originally sanctioned to cope with the enormously increased work in the magisterial section of the Collectorate due to the administration of various control orders etc., and accordingly Deptt. are of opinion that it will not satisfy the condition laid down

by LD. No. 780 Fin. dated 18.7.1949 ~~I~~ viz., that the post ~~had~~ be permanently required for dealing with the normal work ~~this connection, it may be pointed out~~ ~~that the Bd. has stated that the post of the lower division clerk is permanently required for the normal work of the Bd.~~

3. In the circumstance it is for orders whether this dept. will accept the recommendation of Fin. at X on p. 4 ante, or press for the permanent retention of the post of the lower division clerk for the magisterial section of the South Kanara Collector's office as recommended by the Bd. in para 1 on p. 3 of.
